

As an EDM producer, you know having good sounds can make your track stand out. With Big Sounds new Big EDM 2K22 sample pack, you'll have all the latest sounds to create the next big room banger. From Wav loops, MIDI files to synth presets, this pack is a must-have toolset for every EDM producer!

Inside this sample pack, you can find 5 construction kits divided into folders of drums, bass, fx, synths, vocals, midis, and synth presets.
All samples are labeled with BPM and a Key scale for an easy to work out.

Just drop the Wav loops into your project and start creating your song.
Midis files also allow you to see how the melodic ideas were made, plus you can edit the midis and create your own musical ideas.

Synths presets from Spire and Sylenth are also available.
Presets are working with Spire v1.5 and Sylenth v3.067 or higher.

What's more, everything you get is Royalty-Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres Big Room, and more.
