

Get ready to get your Groove on, cause Big Sounds' never half-asses a release!

Memorable melodies, swingy basses and overall powerful sounds, the rhythm is definitely overflowing in this our latest pack, Big Sounds Groove House.

This is a pack you definitely don't want to miss!

In it you will find 5 complete stem kits, offering the greatest tools and source of inspiration you have been missing.

All kits include the wav stems, including Bass loops, Melodies, Pads, Leads, both for builds and drops, FX and all Drum loops.

With each kit, you also get the midi files used for our distinctive sounds, plus the presets used to create them, (Serum, Spire and Sylenth)!

What's more, each kit has a selection of Drum Hits (kicks, hats, rides, snares and claps) AND Synth One-Shots for you to use.

All sounds are clearly labelled with key and bpm and ready to drop into your next project.

Everything you get is Royalty Free!

Buy once and use in any of your projects in as many combinations as you want.

Compatible with all DAWs and usable in more projects and genres than you can imagine. For the synth presets you will need Sylenth v3.0.3, Spire v1.1.12 & Serum v1.209 or higher is required
