

As a music producer, you are always on the lookout for new sounds and quality samples to use in your tracks. We have just what you're looking for!

Groove House 2 is the follow-up to Groove House 1, a sample pack inspired by the sounds of an eclectic range of electronic music from Martin Garrix Stmpd Records . Groove House 2 includes acapella vocals, wav loops, MIDI files and Serum presets.

In it you will find 4 construction kits, offering the greatest tools and source of inspiration you have been missing. All kits include the Wav loops, including Bass loops, Melodies, Pads, Leads, FX, Drum loops, and acapella vocals. With each kit, you also get the MIDI files used for our distinctive sounds, plus the serum presets used to create them.

All sounds are clearly labelled with key scale and bpm and ready to drop into your next project.

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and usable in more projects and genres than you can imagine.

For the synth presets you will need Serum v. 1.345 or higher is required
