

'Bigger Than Ever: FX Essentials 2' is a mammoth FX collection made by W.A. Production containing 340 perfectly produced and balanced samples and loops. Suitable for all EDM and Urban genres, you will find a big variety of low/high/complex impacts, tuned risers, fills, kits, vocal FX, big snares, FX shots, white noise and much more.

All in all this pack contains over 600 MB of Royalty-Free FX content. 'Bigger Than Ever: FX Essentials 2' has been processed by many advanced sound design techniques to ensure that each sample is uniquely coloured and full of power.

This volume also contains exclusive vocal FX samples as well as EDM big snares combined with vocal shots. These sounds will instantly allow you to bring a massive fatness to your drops and mixes.

Stunning white noise downlifters, uplifters and lines are all included.

Featuring complex impacts ranging from sharp & high to subby & fat, you'll also find a variety of atmospheric risers and sweeps, build-ups, fresh one-shots, massive fills and much more.
