

EDM Sound Productions brings you a brand new sample pack following the new EDM trend of the "Brazilian Bass House" movement inspired by artists such as Alok, Sevnenn, Groove Delight, Ricci and many more.

If you are looking for a complete sample tool to help you get started with Brazilian Bass or G House this is a must-have for your library.

The full sample pack contains five Key/Tempo-labelled Construction Kits with MIDI, Drums, FXs and ground shaking brazilian bass drops and mainstage melodies.

It's a perfect sample pack to create your next brazilian house style track and also to learn the essentials of Brazilian Bass.

Whats in the pack:

- 5 x construction kits
- Bass Drops
- Drums
- FXs
- MIDI Files
- Melodies and Leads
- WET & DRY Files for more flexibility
- Royalty Free
