

Audentity Records proudly presents its second Brazilian Bass Music sample pack.

This Brazilian Bass pack is inspired by Alok, Tiesto, Vinne, Claude VonStroke, Audiojack and lots of others.

Brazilian Bass music has been very popular lately on all Festivals and Clubs, mainly because of its phat impressing Basslines, cool and inspiring drum loops and interesting melody lines.

All construction kits in the pack contain the necessary elements to make your own songs and release them on your fav labels, all royalty-free!

Brazilian Bass Music contains:

- * 5 Construction Kits;
- * 22 Sylenth Presets;
