

Brazilian Bass is a subgenre of House that was pioneered by the likes of Brazilian producer Alok.

Other artists of this genre include Vintage Culture, Tiesto, Sevens, Shapeless, Vinne, Dynoro and others.

Brazilian Bass music has been very popular, mainly because of its phat impressing Basslines, deep kicks and interesting melodies.

The pack contains the necessary elements to make your own songs in the genre and release them on your fav labels, all royalty-free!
