

Here is our latest sample pack for you to download - **Caravaca Presents Tech House Sessions V.3**.

Third installment of 'Tech House Sessions' by Caravaca is here!

This diverse collection is packed with 800 Mb+ of sounds and samples. Featuring acid influenced grooves, deep and groovy bass loops, Detroit-ish tech chord and synth loops, big room beats, expertly crafted top & percussion loops, moody atmosphere and FX loops.

Within the last decade Caravaca has been sharing DJ booth with such international DJ's and producers as Dixon, Marco Carola, Solomun, Luciano, Black Coffee, Nicole Moudaber, Felix da Housecat, Damian Lazarus, Dennis Ferrer, Loco Dice, Martinez Brothers and many others.

His productions has been published on record labels such as Great Stuff, Flashmob or Lapsus Records.

Raw, underground and analogue – 'Tech House Sessions V.3' is truly inspiring collection for any Techno and Tech House producer.
