

Caravaca (Material, Nervous, Nothing But Records) delivers 400Mb of perfectly crafted tech house material.

Tech House Sessions by Caravaca is packed with deep analogue bass loops, jackin' beats and grooves, glitched and afro-infused tribal percussion progressions, poly synths, groovin' no-kick workouts, pitched & processed vocal hooks, dialogue vocals, ambience and surround loops plus a prime selection of FX sounds.

As an ex-resident of Destino Pacha, Ibiza and Provocateur, Dubai – Caravaca has been shared stage with many major acts including Dixon, Marco Carola, Solomun, Black Coffee, Nicole Moudaber, Loco Dice, Denis Ferrer, Felix Da Housecat, Sander Kleinenberg and many others. His productions has been signed by Material, Nervous, Nothing But Records and many others.

Tech House Sessions by Caravaca fuses the best elements of underground tech house and tribal house.

Packed with the finest ingredients for tech house productions – Tech House Sessions by Caravaca is your next go-to collection.
