

Caravaca is back with 2nd installment of Tech House Sessions.

This collection features 400 Mb of deep bass loops, jackin' drum beats, top & percussive drum-workouts, ambience & FX loops, vocal cuts and prime selection of Kick, Hat, Clap & Snare loops.

Born in Malaga (Spain), Caravaca's style travels across lively, playful house & smooth tech house.

He is a resident DJ at Hi Ibiza and ex-resident of Destino Pacha night club. Throughout his career he shared main stage with such DJs as Dixon, Marco Carola, Solomun, Luciano, Black Coffee, Felix da Housecat, Camelphat, Eric Prydz, Adam Beyer and many others.

His productions could be found on record labels such as Nervous, Material, Lapsus or his own Nomevea Records.

Caravaca digs deep into funk-driven tech house and delivers smooth, funky & groovy sounds for your next productions!
