

After the huge success of our previous release of Future Bass sample packs, we are bringing you a phenomenon addition to your Future Bass sound library.

This 0.9 GB pack features varieties of sick Future Bass drums, sounds and loops, prepared by produced by our talented world class producers.

If you are observant enough, you will notice that dominating the charts with Future Bass hits isn't as easy as before anymore as you have big guns in the industry such as Martin Garrix, The Chainsmokers or Zedd arriving on the Future Bass stage.

You'll need to innovate more in term of song-writing techniques because competition has increased tremendously.

A good sample pack is therefore vital for your music to stand out.

Inspired by the chart topping duo – The Chainsmokers, this collection of their signature sounds will quickly become your go-to sound library and it doesn't just work well on only 1 genre.

You can utilize it on different genres as well.
