

Cloudy Samples is proud to present the **"Chill Drums"** - a heart designed drums pack, ready to enhance the depth and atmosphere of your Chillstep, Ambient, and Downtempo grooves, but also perfectly fits Hip-Hop, Trap, and all Electronica genres. Crafted carefully for an instant inspiration and ready to be plugged into any machine or DAW.

Includes tempo-labeled loops and samples like pounding kicks, tight and percussive claps, classic hats, huge crashes, clean snaps, tough snares, and creative percussion elements - these will make your tracks professional. Everything is 100% royalty free, cleared & ready. Categorized in folders for an easy access, delivered as 24-bit, 44.1kHz WAV samples. Don't miss the opportunity to grab this set of outstanding sounds.
