Code Sounds presents Chill Keys 2, the long awaited follow up to our very first pack, Chill Keys! Discover a deep inspiring collection of emotive chord progressions and subtle melodic overtones, infused with character, warmth, dust and noise textures creating soothing atmospheres and chill vibes. Includes a selection of abstract beats and experimental percussive elements that meld between the organic keys and synthetic rhythms. An essential sound pack for Chill, Ambient, Lo-Fi and Film Soundtracks.

Chill Keys 2 includes 572 MB with 264 total files with 32 inspiring Keys Loops, 32 Keys Midi Files and 83 Keys One-shot chord versions which are highly useful for Chill, Downtempo, Hip Hop and many other genres. Also, 12 Abstract Beat Loops with 41 essential Stems Loops and 46 Drum Hits. All Hits and Loops are Tempo and Key Labelled for your convenience. Royalty Free!
