

Freak Music is pleased to introduce new product - "Chillax". It is packed with 5 fully mixed & mastered construction kits, midi progressions and one shots. Every kit is key and tempo labeled and ready for instant drag and drop action in any DAW. Also we have created for you inspiring midi progressions, drum one shots and sounds, which can be a great addition for you in creating your future hip-hop, soul and every chillout music.

These sounds can be crafted into many different genres and are guaranteed to inspire you. If you want excellent sounds and chart topping track you need to start with this. Audio loops, one-shot samples and MIDI files allow for maximum flexibility in adding your own personal touch to each construction kit. With the included MIDI files, you can change tempo, velocity or key and also customize the loops to your own exact requirements.
