

Freak Music is proud to present the "Chillstep Melodies" - collection of 25 awesome midi construction kits, including all necessary elements to create beautiful melodies. This product provides a great amount of melodic material for your chillstep, chillout and every melodic productions. Each construction kit contains several melodic lines working together like lead, pads, bassline and plucks which you can use together to create something fresh and inspiring.

In addition to that, every kit is key labeled with BPM suggestion, also the audio demo is included for every single folder. Works with every DAW, you have absolutely unlimited possibilities in creating your next soft production. All of these sounds are 100% Royalty-Free, so once purchased, you can use them in your commercial releases without having to pay any hidden costs.
