

Freak Music is proud to present the "Clarity" - five chilled electronica construction kits, focused on rhythmic groove, ambient feeling and chillout melodies. This immense collection is full of soulful sounds such as chord and bassloops, cracky snares, chilled melodies, deep vocal chops, crackles, & deep ambient.

All sounds are delivered as 24-bit WAV format, including MIDI Files for every melodic sequence. In addition to that, Reveal Sound's Spire presets and WAV Patches will abosutely cover your expectations and make every construction even more flexible and versatile. You can change tempo, key and even melodic line to your own exact requirements. Perfect for Lo-fi, Chillout, Ambient, Downtempo, Future Soul, RnB, Trap, Chillwave, Chillstep, and Pop genres. Of course you can use them in any other genres to add organic lush textures to your music. Everything included is 100% Royalty-Free, so you can use every sound without having to pay any hidden costs.

*Please note: To access presets, you need Reveal Sound's Spire v1.14 or above.*
