Clean Shooters by Audentity Records is the latest sample pack that brings producers the best of the Trap genre.

Produced by Dutch superstar Saffeh, who is well known for records like 24/7, Dembe, Pap and many other titles.

This Trap, Afro and RNB inspired pack contains a great collection of floating melodic loops, Saffeh drum loops, Trap keys & Piano Loops, Reggaeton Pop Loops, Instrumental Loops and last but not least a very big and special collection of guitar loops, electric and acoustic in different styles such as Spanish guitars, RNB, Pop, Dark and Reggaeton.

Are you on the look for that special melody, key or guitar loop which gives your beats something new and authentic? Look no further as with 17 key loops, 33 music loops, 56 guitar loops, drum loops and 808's, this pack is a treasure full of surprises.

The Dutch Saffeh touch and feel on some of the loops will give your next track something really special.

In detail, you can expect 465MB of content with all audio at 24Bit & 44KHZ.
