

Compact Series delivers Key Labeled Kicks.

This collection features 95 key-labeled punchy, bass-woofers destroying kick drums built for prime time electronic dance music production!

If you're looking for that perfect bottom end fit – Key Labeled Kicks might be the answer to your prayers. Designed with modern production techniques, these drum kicks will boost your bottom end to the max!

All of the drum sounds are key-labeled and will flow with your other musical elements just perfectly!

Kick drums are divided into 6 main folders:

10 x Kick drums designed for Acoustic and Disco House productions

25 x Hard-hitting kick drums for House or Tech House

25 x Dusty old-school bangers

10 x Soft and easy going kicks for Chilled House productions

10 x Raw and dirty stompers

15 x Trap and Urban kicks

All of the sounds are presented in WAV format and ready to be loaded into any DAW.
