

LF0.Store proudly presents a brand new soundset for Xfer Serum software synthesizer by a well-known sound designer Otto K. Schwarz.

"Cosmos" is opening the portal to a new dimension, that is full of breathtaking sounds.

Amazing long-modulated pads will show you the depth of the cosmic space. Leads are saturated with the radiance of the distant stars and echoes of other civilizations' voices. Plucks will help you to touch the asteroids and feel the presence of the unknown planets. And much more!

Whether you're creating ambient, EDM, soundtracks or experimental music, this collection of sounds will always be at your service!
