DARK MATTER (a Cybertron series)

Davide Scuteri and Ayra present **Dark Matter (a Cybertron series)** for **Reveal Sound Spire 100 presets!**

Dark Matter is a premium collection of **100 cinematic EDM bass presets** for Reveal Sound's Spire, designed to inject raw low-end power and futuristic groove into your productions.
From deep, analog-inspired growls to tight, punchy sequences and textured, dystopian tones — this soundset delivers basslines that are both impactful and full of character.

Crafted for modern producers working across EDM, midtempo, cyberpunk, cinematic electronic and hybrid styles, **Dark Matter** explores the darker side of the spectrum with a focus on intensity, clarity, and immersive low-end detail.
Whether you're building a thunderous drop, a brooding breakdown, or a cinematic pulse, these sounds are production-ready and instantly inspiring.

Main Features:
- 100 cinematic EDM bass presets for Reveal Sound Spire
