

Hyperion (a Cybertron series)

Davide Scuteri and Ayra present **Hyperion (a Cybertron series)** for **Reveal Sound Spire 100 presets!**

Hyperion is a premium collection of **100 cinematic EDM riser presets** curated for Reveal Sound's Spire. Immerse your productions in otherworldly motion and celestial intensity.

From subtle, ethereal builds to monumental, universe-spanning crescendos, **Hyperion** delivers a spectrum of riser sounds designed to elevate trailers, cinematic soundscapes, and immersive atmospheres to cosmic heights.

Main Features:

- **100 unique riser presets:** meticulously crafted with cosmic depth, tailored for epic builds and spatial tension.
- **Cinematic-grade textures:** from shimmering atmospheres to gravity-defying swells, each sound is designed for maximum impact.
- **Versatile usage:** ideal for trailers, cinematic edges, ambient space-design, FX layering, and audio transitions with gravitas.

Product Details:

- Crafted exclusively within Spire to ensure purity and cohesion across the pack.
- Embraces a range from subtle shifts to explosive ascents — echoing the vastness and motion of space.
- 100 Spire presets — all risers ranging in intensity, shape, and space.
- All Mod Wheels are mapped to vary the sound in several inspiring manners.

Let **Hyperion** transport your sound design into orbit — where tension, motion, and cosmic scope converge.
