

QUANTUM SPHERE (a Cybertron series)

Davide Scuteri and Ayra present **Quantum Sphere (a Cybertron series)** for **Reveal Sound Spire 100 presets!**

Unveil the next frontier of sonic exploration with **Quantum Sphere**, a premium bundle for Reveal Sound Spire, featuring

100 immersive presets of cinematic and sci-fi pads and atmospheres, Sequences, FXs and others. This meticulously curated collection is perfect for composers, sound designers, and producers seeking to build textured soundscapes for futuristic film scores, game environments, or otherworldly settings.

Main Features:

- **Cinematic Sci-Fi Soundscapes:** From vast, shimmering cosmic ambiences to deep, evolving drones, each preset captures the vastness and enigma of interstellar space.
- **High-Quality, Ready to Use:** Crafted with precision to ensure rich harmonic content, wide spatial depth, and expressive modulation — plug and play in your next project.
- **Inspired by Future Worlds:** Whether you're scoring a sci-fi epic or creating a dystopian atmosphere, the pads and textures in this pack evoke futuristic landscapes, alien horizons, and quantum phenomena.
