

'Dark Progressive Sounds For Spire' by Essential Audio Media is a soundbank for the Spire VSTi that comes with 64 presets inspired by artists such as: Anyma, Tale Of Us & Artbat. This soundbank brings you everything you need from atmospheric pluck sounds, to deep punchy basses and a lot more top-notch sounds. All presets were made by professional sound designers and can be also useful for Techno productions.

Essential Audio Media has also added a folder where all presets and melodic parts from the audio demo are included, so you can find your favorite presets from the audio demo much faster!
