Laniakea Sounds presents "Darksynth & Cyberpunk" - a wicked collection of lo-fi sounds designed to make your sounds evil, hazy and powerful like a dark cyber punk with an authentic and ethereal 80s edge.

This 100% royalty package was produced by Mike Ost and serves up 300MB+ of retro machine rhythms, spooky effects, neon-tinged synths, foggy pads and more.

Come and take a beautiful and nostalgic trip to "Darksynth & Cyberpunk" world. Don't waste your time and download this sample pack today!
