

Deadly Trap

New Loops presents Deadly Trap - 5 of the deadliest Trap kits packed with hundreds of hard-hitting audio loops and sounds. Deadly Trap comes with over 1 GB of audio content and 736 total sounds.

You'll find 5 Trap Kits with Drums, Synths, Bass and FX. Each kit comes with midi files and synth multi-samples giving you flexibility to create your own Trap songs.

Deadly Trap has been made to be as diverse and useful as possible. All sounds are individually named and have tempo and key in the file names. The audio loops have many variations such as, with and without FX, full loops, kickless loops, hat loops, kick and snare only etc.

As with all New Loops sample packs, once purchased Deadly Trap is 100% royalty free to use in your songs and audio productions.

Deadly Trap audio wav pack is the universal format and works with all software compatible with .wav files including: FL Studio, Cubase, Pro Tools, Studio One, Logic Pro, Sonar, Reaper, and many other DAWs.
