

Deep House & Future House Vocals by Bingoshakerz delivers big arsenal of vocal tools primed for any electronic dance music genre.

Totalling 100 key-labeled vocal loops & chops at 116, 118, 120, 128 & 140 BPM makes this collection suitable for Deep or Future, Progressive or Electro House, Trap or Future Bass productions and beyond.

From deep & soulful, harmonic & emotive to heavily pitched & processed loops this collection will bring warm human touch for any musical composition.

If you're looking for that modern, pitched vocal sound for your tracks – than look no further and discover this essential, sampler-ready collection. Instant groove guaranteed!

All loops are presented in Wav format, tempo & key-labelled.

Please note: *this pack contains vocal loops only.*
