

From the makers of the legendary Deep House series and sample packs like: "Deep House Ultimate", "Deep House Ibiza" and all other great packs, Audentity Records proudly presents our latest: Deep House Journeys.

All the previous Deep House packs were massive successes and were picked up by lots of artists mainly because of the warm deep atmospheric beats and music and this new pack is no different.

"Deep House Journeys" is offering you the latest and most current Melodic Deep House loops, samples, construction kits and is bursting with deep house rolling bass loops, Melodic Piano Loops, creative synth loops, dark vocals, nasty drum hits and so much more.

The pack contains 5 construction kits with Midi, Vocal Chop Loops, Drums + additional Bass & Synth loops and Drumloops as Bonus.
