

Deep House Logic Pro Template (Anjunadeep Style) Vol.2

This template will help you to achieve a world-class sound through the study of the track structure, automation and processing by the necessary plugins. It shows how to create a professional track in the style of Anjunadeep (Yotto). This template includes a complete arrangement with chain effects, MIDI data, automation, samples and presets.

Through the study of templates from Ancore Sounds, you will learn how to create your own high-quality tracks.
