

'Deep House Melodic Vibes Vol 1' brings you 100 MIDI files which are all key labelled. This MIDI pack includes chord progressions, pad melodies and lead melodies to give you a lot of inspiration for your next melodic Deep House track.

All melodies are 100% Royalty-Free and can also be used for other genres such as Tropical House, Pop, Progressive House, Future Bounce and other genres where catchy melodies are needed.

These MIDI melodies are inspired by artists such as EDX, Duke Dumont, Nora En Pure, Route 94, ZHU and many more.

This MIDI pack is a must-have for every Melodic Deep House producer out there who needs help creating melodies or needs the right inspiration for their next track.
