

'Deep House Sounds For Spire Vols 1-2-3' brings you 192 Spire VSTi Presets for Deep House, Progressive & Melodic Techno. All the sounds were inspired by producers such as Meduza, Lane 8, Tinlicker, Nora En Pure, MK, EDX, James Hype, Ben Böhmer and many more! This bundle brings you everything you need from warm pad sounds, to deep punchy basses and a lot more top-notch sounds.

All presets were made by professional sound designers who know exactly what kind of sounds a Deep House producer needs. This bundle includes the following soundbanks:

- Deep House Sounds for Spire Vol 1
- Deep House Sounds for Spire Vol 2
- Deep House Sounds for Spire Vol 3

Please Note:

Audio files are NOT INCLUDED in this package and are used in the MP3 demonstration only for demonstration purposes. This package only contains Spire VSTi presets.

100% Royalty-Free.

Requirements:

- Reveal Sound Spire synthesizer Version 1.5.8 Or Higher.
