

'TD Audio Presents: Deep House Spire' is a powerful bank of deep and moody presets for Spire, primed to drive home your next hit production. Specifically designed for Spire users, this sound set is loaded with 64 presets including smooth and round basses, lush leads, and magnetic FX. Everything you hear in the demo is made with these presets.

The sonic possibilities are limitless when these hypnotic presets come alive through the versatile technology of the popular Spire soft synth.

Created with the contagious mystique of Deep House, these sounds are ready to cross into any style of House music, from Techno to Tribal House, or Tech House and beyond.

This pack is presented by TD Audio, the powerhouse team of Twisted Reaction (Function Label Group) and Lenny Dee (Industrial Strength); two tenacious names in modern sound design.

Combining cutting-edge gear with meticulous engineering and production, TD Audio creates upfront production packs and kits at the frontline of Dance music.

Unleash this popular software synth and cut deep to the heart of House production.
