

We are pleased to present to you the bundle, which is based on our series of templates in the style of DEEP HOUSE with soft progressive sound. This product contains six wonderful examples of how to create music in the styles of HotCreations, Defected, Dirtybird Anjunadeep, Armada Deep, Spinnin Deep and shows how to make professional melodic chords, bass and the rhythm section, and also includes a complete arrangement with chain effects, MIDI data, automation, samples and presets.

Through the study of templates from Ancore Sounds, you will learn how to create your own high-quality tracks.

After purchasing this product, you can freely use all sounds and presets from this pack in your commercial works and projects.
