

Ready to go deep? Big EDM presents Deep House Vibes. Shape your mix with smooth and crisp acoustics, soulful jazz, and gentle pads.

This pack will allow you to create a hypnotic deep house delight. Subtle and funky drum beats will relax you into the nights' rhythm. The advanced chord structure will amaze and mystify while the driving bass lines will sooth and subdue.

No need to spend time searching and making adjustments for that perfect sound. Big EDM has you covered with presets to ensure you are all set up and ready to go. Incorporate a brilliant touch of style and chic technique by implementing the quality and clarity of pristine Deep House Vibes. Immerse yourself in the melodic depth of this stunning and elegant pack from Big EDM.

The fine print:

Here at W. A. Production, we adhere to a strict standard of quality. We spend time behind the board with our hands-on and our ears open accepting only the best of the best. Our producers are affluent in the EDM scene and are at the forefront of creation. We won't put our name on just anything. This ensures you that there are no regurgitated sounds of yesterday.

We want to be the leader, we want your mix to lead. We stay one step ahead of the game and offer these sounds to you so that you can pioneer the forefront of audio production. You expect the best and so do we. Buy our packs with confidence and knowing that you'll get the latest and most innovative sounds with the utmost respect for audio production quality.
