

'Deep Tech Journey' is jam-packed with 1Gb+ of moody, deep and atmospheric sounds.

Featuring analog bass loops, pounding beats, modular arpeggios and sequences, classic stabs, lush and atmospheric pads, hypnotic synths and vintage melodics – 'Deep Tech Journey' is packed to the brim with uncompromising Deep and Tech House loops.

All loops have been expertly produced offering dry, wet and filtered versions of each musical loop to give you total control and flexibility while producing.

This collection also features MIDI files – open up your favorite synth and layer the sounds with your own as you want to.

Explore this deep, atmospheric and analog-infused collection of sounds now!
