

We are back with another soundbank for Spire and this time for the rising demand of Deep Tech genre. Designed from scratch, like all our soundbanks, you will quickly feel the quality of this product.

Master sound design skills in this great sound bank, performed by our in-house designer. You will get all the tools: Bass, Chords, Keys, Leads, Synths, Pads and FX presets.

Deep Tech Spire will be also useful in Deep House & Melodic Techno genres.

Details:

- 16 x bass
- 13 x chords
- 10 x keys
- 3 x leads
- 13 x synths
- 4 x pads
- 2 x fx
- 64 x presets in total
- 1 x soundbank
- Only presets included

PLEASE NOTE: you need to have Spire 1.1+ to run this pack
