

EDM Sound Productions is very happy to bring you the first sample pack under our brand new label, inspired by the sounds of "NOW" of Hexagon and Spinnin Records and artists like Don Diablo, Michael Calfan, Lucas & Steve, Jonas Aden, Mercer and more.

This new product has everything you need to produce your next generation house music with energetic piano melodies, big basslines, powerful drums and big synth-loops.

You can find 5 construction kits including midis for all the melodic parts, future house drum loops, drum fills, fxs and also melodic pitched vocal chops.

This collection features 260Mb of sounds which are ready to be loaded into your DAW. All loops and samples are WAV format, tempo & key-labelled.

Whats in the pack:

- 5 Construction Kits
- Piano Melodies
- Synth Loops
- Fx & Vocals
- Drum Loops
- Midis
- Wet & Dry wav files
