'Dirty: Essential Trap Kits' is a mammoth pack of 10 Construction Kits from a brand new & wild sound design company, Dirty Production. Descended from W.A. Production, Dirty Production has delivered more than 4 GB of the dirtiest Trap samples and loops, all 100% Royalty-Free.

In detail you'll find more than 250 files including MIDI. All kits are loaded with the freshest and most unique sounds including perfectly distorted 808s and a wide variety of sound design techniques make this pack stand out.

Sick vocals, snare rolls, unique kicks and much more; it's all here. Dry and wet versions are provided as well as fully mastered mixes for speedy song construction and editing.
