

'Dissonant Trap' delivers over 800 Mb of moody sounds, booming beats, crisp hats and snares, dissonant flutes, keys and inspirational melodics.

'Dissonant Trap' is packed with bass-heavy 808 and drum beats, drum hits, dissonant key and music loops, flutes, dark and atmospheric pads, dreamy plucks and finely processed clap, hat and kick loops.

Loaded with standard WAV & Rex2 formats, this collection is all recorded and mastered in sample-accurate 24-bit.

An inspiring collection of sounds and samples for any beat-maker!
