

'Dope Melodies vol.1' by HighLife Samples is another top-notch sample pack. If you are struggling to make a catchy melody for your tracks then we made some cool melodies for you to use, and all these melodies are inside this sample pack.

You can find 24bit/44.100 WAV loops of top melody, saw chords, plucks, and underneath bass. Midis files are always inside so you can see and study how these melodies are made, you can edit and re-create our melodies and make something unique, so you can stand out from other producers.

All files are organized in folders with BPM and key-labeled for easy navigation. This sample pack is suitable for EDM big room and Trance genres. Of course, this is not a limit and you can use the content of this sample pack in other music genres as well.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs.
