

Freak Music is proud to present the next construction kits pack - "**Downtempo Changes**". Varies from melody plucks, chilling pads, deep basses to strong drums, wide reverbs and uplifting synths. Five carefully categorized constructions will give an instant inspiration. WAVs, MIDIs, Presets and Soundbank will absolutely fill your expectations - you can freely change the velocity, tempo and even key of each melody. Simply drag and drop your loops in your favorite DAW. This collection is a perfect way to start the next great hit. Everything included is 100% Royalty-Free, so once purchased, you can use them in your commercial releases without having to pay any hidden costs.

*Please note: To access presets, you need an up to date Reveal Sound's Spire, Serum and Keyzone Classic.*
