

A Bass House template influenced by artists such as Claude VonStroke, Dusky, Shadow Child, Disclosure, and more!

The 'Draw Back' template uses essential high quality House sounds, but also catchy synths, FXs, and MIDI to take your music to the next level. We also give you exclusive secrets behind the sounds, with production tips from the producer behind this pack.

This template is perfect for any producer looking to create or improve their own Bass/House productions. The template contains top quality audio loops, one-shots, MIDI, Massive and Spire presets.

From this template, one can learn how to create those banging drop leads, tight drums, as well as several mixing & mastering and arrangement techniques.

This template is exactly what you need if you are looking to improve your electronic music productions.

Specification, depends on the purchase option:

- 1x Ableton Live Project File
