

Produced in collaboration with legendary trance producer and sound designer Juraj Klicka, we are proud to present Driftmoon Spire Essentials Bundle.

This product contains all volumes 1, 2, and 3 combined into one affordable bundle, giving you a massive collection of 384 cutting-edge presets to satisfy a variety of tastes, whether you produce pure uplifting, tech, psy, or even epic orchestral-style trance. Included are both classic trance sounds you'd expect from Driftmoon, as well as contemporary sounds geared toward modern dance music producers, from intricate acid sequences, cinematic pads, and iconic-sounding plucks and leads, to pounding Armada-inspired trance basses that are perfect for banging anthems that light up the dance floor, as well as other genres. This bundle is a must-have all-in-one soundset that will last you many years to come!

Testimonials

"Driftmoon has to be one of the best engineers out there, creating ridiculous high quality productions with mint sounds. It is nice to have access to a selection of his library!" – Ruben De Ronde

"I was in the middle of producing my album when Juraj send me this bank. And I immediately realised that his Acid presets were going to replace the sounds I already used in my tracks. I ended up using some of his excellent plucks also." – Geert Huinink

"Great edition to any collection. Leads are something I would certainly use in my productions. Driftmoon showcasing what Spire can do! Great work." – Darren Porter

"Juraj is known for being a good mastering guy, now he proves that he is a very very good sound designer too! You will find here everything you need to make a track. From bass to lead, from acids to plucks, without forgetting pads. Take my money! I feel too lucky to have tried it!!" – Ferry Tayle

"As a sound designer myself I don't usually have a need for sound banks, but there are few that stand out. One of them is the Driftmoon's Spire Essentials from Freshly Squeezed. He truly gave away some outstanding sounds in this bank!" – ReOrder

"Another pack full of quality sounds that ill be using in my productions, highly recommended." – Steve Allen

"This is not your typical bread-and-butter sound pack, but a collection of hard hitting and powerful patches designed to cut through your mix and stand out. Definitely one I see myself coming back to when I need to make a bold statement. Love it." – The Thrillseekers

"Juraj proved again the power of Spire by using every aspect of it. His new sound bank will definitely complete everything you need to make your own track ! Always nice to discover some fresh new sounds ! Thanks for the hard work." – Ferry Tayle
