

DRILL MASTER

*5 KITS, LOOPS & SAMPLES, STEMS,
MIDIS, SPIRE PRESETS*

balticaudio

'Drill Master' from baltic audio is a powerful collection of amazing Drill elements to push your production to the next level. You'll find a bunch of 808s, drums, keys, instruments and more and some presets for the Spire synthesizer combined in 5 construction kits.

This pack provides you with all of the elements you need to make high quality UK Drill tracks.

Each construction kit contains perfectly mixed instrumentation and will be your essential source for creating instant Drill hits, which are just waiting for a vocal topline to be added.

The included MIDI files, oneshot samples as well as Spire presets give you no limits in creativity.

Of course, the numerous ready-to-use loops and stems also allow you to achieve great results very quickly.
