

Audentity Records proudly presents: Drill Pudding.

Sonically this sample pack has everything for your next Drill anthem: raucous 808 samples, ghastly synth leads, dirty melodic loops, affected drum loops, dusty chords, retro strings & pianos with spooky hooks, and so much more. everything is included.

Inspired by artists like: Stormzy, Pop Smoke, Dutchavelli, and Fivio Foreign and many more.

If you are seriously into Drill, Trap, Hip Hop and Chill, this pack is an inspiration tool for your new beats, made and produced by music industry experts and essential for all beat makers looking for the best samples out there.

We also included midis to offer you even more flexibility.
