## INSTALLATION INSTRUCTIONS

In order to be able to use our sound bank, it needs to be imported into Reveal Sound Spire. If you don't know how to import a soundbank, please follow these instructions:

- Open an instance of Spire;
- Click on Spire's Menu button;
- Choose Import Bank from the list of options;
- Find and select the "Drumpiration by Solidtrax.sbf" file;
- Click on Spire's Menu button and select the Select Bank option from the list to see your new imported sound bank.

When this is done, you're all set to use this sound bank in your next production!

We want you to be completely satisfied with your purchase. If you have questions, comments or complaints, please contact us at [info@solidtrax.nl](mailto:info@solidtrax.nl) and we will get back to you as soon as possible.
