About Presets In This Pack:

Fully compatible with Spire version 1.5 preset manager.

Presets for both Spire version 1.1 and ReSpire synthesizers are included for greater compatibility.

You do not need to install *.repatches files if you use Spire synthesizer (AU / VST / AAX) plug-in.

* The video and audio demos contain presets played live and recorded direct from Spire. All sounds are from Dystopia and no other plugins have been used.
