

Are you the kind of person who lives for the build up and explodes with a massive drop? Big Sounds has got you covered, and is always up to date with the current soundscape. Big Sounds presents EDM 2019 Big Drops.

This is a pack that you definitely don't want to miss! Inside you will find 5 construction kits, offering the greatest tools and source of inspiration you have been missing. All kits include buildups, breakdowns, drops, fills and main Bass loops, Melodies, Chords, Leads, Plucks and FX, including uplifters, downlifters, impacts and noise, and of course all drum loops and the final mixdown.

What's more, we have included the midi files for all melodic elements. All folders are clearly labelled with key and bpm and all sounds are ready to drop into your next project.

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and usable in more projects and genres than you can imagine.
