

Ever have a creative stand still? Check out What About: EDM Assault. This pack is going to spark the creativity and give your sound a true unique and individual touch.

EDM Assault comes equipped with some of the clearest and crisp Claps, Kicks, Toms, and Snares. We wanted to be able to bring out the ideas from producer's minds and allow them to use EDM Assault to place those ideas into a project.

If you are new to our packs, they come loaded with Construction Kits that will show you the stems of an EDM track. Using these Construction Kits you will learn the fundamentals of EDM track arrangement. All of the presets, samples and everything you need to perfectly craft an amazing project is all included. Don't let a creative dead end stop you. Break through with EDM Assault.
