

'EDM Club Nights IBIZA San Antonio Edition' is a brand new series bringing you 8 x Professional Construction Kits packed full of pro features and produced by a professional producer. If you're looking for inspiration for your next huge IBIZA anthem hit them look no further than this pack. Each Kit includes 24-Bit WAV files as well as MIDI.

San Antonio is a town on the western coast and the second largest town in Ibiza, an island described as one of the clubbing capitals of the universe featuring clubs like Amnesia, Boom, Eden, Es Paradis, Underground and more.

Each kit featuring enough material to spawn an entire new track, including MIDI & WAV audio loops plus all of the professional features you'd expect from Mainroom Warehouse, Loops are provided in both wet(with effects) and rendered dry (no FX) so you're free to add your own to help gel these superb EDM samples in to your own mixes.

For audio loop users there's filter up and down sections as well as FX tail loops to allow you to easily use the samples in build ups and breakdowns. With MIDI files included for main melodic parts you're also free to break out your own synths and use your favourite presets to create your own sound.
