

EDM Explosive Drops

Mainroom Warehouse are proud to bring you a new series - 'EDM Explosive Drops' featuring 5 x Explosive Construction kits.

Inspired by top artists around the world, these construction kits come complete with 24 Bit WAV, WAV Loops and One-Shots and will surely inspire you to create your next festival hit. These loops have been inspired by the world's biggest EDM festivals like Tomorrowland, Global Gathering, Electric Daisy Carnival, Creamfields, BPM Festival, Ultra Music Festival, and Electric Zoo. WAV loops and MIDI are included for each kit for amazing flexibility.
